Applicant/Party I represented by Learned Advocate Shri A. Kundaikar.

Opponent/Party II represented by Learned Advocate Shri P. Agrawal.

AWARD

(Delivered on this the 12th day of the month of December of the year 2023)

This is an application under Section 2A(2) of the Industrial Disputes Act, 1947. The opponent has filed its reply. The Applicant has filed his rejoinder.

2. The Applicant's case is that the Opponent appointed the Applicant as a Customer Service Representative by letter dated 24-05-2021. That the Applicant was drawing a monthly salary of Rs. 22,000/-. That the Applicant had a honest and unblemished record. That the Applicant was terminated with immediate effect by letter dated 25-08-2021. That the Applicant was terminated for "ill reported" behavior with female employees outside office premises. That no charge-sheet was issued and no enquiry was held before the Applicant was terminated from service.

3. That the Opponent has used a private celebration in Calangute to get rid of the Applicant from service. That the letter of termination casts a stigma on the Applicant. That the Applicant is unable to get employment. That the Applicant is unemployed ever since his termination from service. That the Applicant raised a dispute before the Asst. Labour Commissioner, Panaji for conciliation on 15-09-2021. That this Application has been filed after 45 days from the date of application before the Conciliation Officer (Asst. Labour Commissioner). Therefore, it is prayed that the "retrenchment" (Termination) dated 25-08-2021 be set aside and the workman be reinstated with full back wages.

4. The case of the Opponent is that the Opponent appointed the Applicant as a Customer Service Representative by letter dated 24-05-2021. That, he was appointed on probation for a period of 3 months. That, during the probation period, an employee made a Complaint against the Applicant. That the Complaint was given by e-mail dated 24-08-2021. That the Complaint stated that the Applicant has misbehaved with 3 female employees on 21-08-2021. That the Opponent asked the Applicant to give his explanation. That the Applicant admitted the occurrence by e-mail dated 25-08-2021. That, on the same day (25-08-2021), the Opponent refused to confirm the Applicant and discontinued his service. That the termination was communicated by way of an e-mail dated 25-08-2021. That the Applicant filed a Complaint in the Office of the Commissioner,

Labour and Employment on 20-09-2021. That, pending the discussions before the Asst. Labour Commissioner, the Applicant filed the present application before this Tribunal on 02-11-2022. That, this Application, is therefore, not maintainable. That the Applicant was a probationer and there was no need to issue him a charge-sheet and conduct an enquiry before removing him from service.

5. That the Applicant is gainfully employed. That the Applicant is not a 'workman' and the Opponent is not an 'industry'. That, there is no 'industrial dispute' between the Applicant and the Opponent. Therefore, it is prayed that the application be rejected.

6. In his Rejoinder to the Written Statement, the Applicant has denied that he misbehaved with 3 female employees of the Opponent on 21-08-2021. It is denied that the Applicant admitted the incident. It is denied that the Applicant is gainfully employed. That the Opponent is an 'industry' and the Applicant is a 'workman'. That the dispute between the Applicant and the Opponent is an 'industrial dispute'. That the present application is made after the expiry of 45 days from the date of application to the Labour Commissioner. That the application is maintainable.

7. The following issues were framed by this Tribunal and my findings thereon are as follows:

Issue No.	Issues	Findings
1	2	3
1.	Does the Opponent/Party II prove that termination of services of the Applicant/Party I is legal?	In the affirmative.
2.	Does the Applicant/Party I prove that the application is maintainable?	In the affirmative.
3.	Whether the Applicant/Party I prove that he is entitled to reinstatement with full back wages	In the negative.

REASONS

8. **Issue No. 1:-** The case of the Opponent/Party II is that the termination of the services of the Applicant/Party I is legal for two reasons. Firstly, it is contented that the Applicant/Party I was a probationer and as such his services could be terminated. Secondly, it is contended that the Applicant had misbehaved with 3 female employees of the Opponent/Party II. That the Applicant/Party I had admitted his misbehavior. That it was therefore legal to dismiss him.

9. Let us consider each one of these reasons separately.

10. The first reason given by the Opponent/Party II is that the Applicant/Party I was a probationer and that the Opponent/Party II had a right to terminate his services.

11. The termination from service was made by an e-mail dated 25-08-2021 (Exh. 20 Colly). It is stated therein that the Applicant/Party I was being terminated because of "ill reported behavior" in dealing with female employees outside office premises.

12. No stigma should be cast on a probationer while discontinuing his services. If a stigma is cast, it should be proved by evidence. In this case, a stigma has been cast on the Applicant/Party I. Therefore, the Opponent/Party II did not have the right to terminate the services of the Applicant/Party I without proving the allegations made against him.

13. The second reason given for the termination of the services of the Applicant/Party I is that he misbehaved with three female employees of the Opponent/Party II.

14. The Opponent/Party II did not conduct a departmental enquiry before terminating the services of the Applicant/Party I.

15. As departmental enquiry was not conducted, the Opponent had filed an application to lead evidence on this issue and prove the same. The Ld. Advocate for the Applicant had given his "no objection" to the Opponent's application and the same was granted.

16. The Opponent/Party II has examined 2 witnesses. Atul Tanaji Utturkar is witness No. 1 for the Opponent. He is the Director of the Opponent. Ms. Shraddha Chawdekar is Witness No. 2 for the Opponent. She was the Senior Manager-Human Resources of the Opponent.

17. The Applicant has not adduced any evidence.

18. Atul Tanaji Utturkar (Witness No. 1 for the Opponent) deposes that the Opponent had received e-mail Complaint dated 24-08-2021 from an employee stating that the Applicant had misbehaved with 3 female employees on 21-08-2021. He deposes that the Applicant was asked to give his explanation. He deposes that the Applicant had admitted the incident. He deposes that by e-mail dated 25-08-2021, the Opponent terminated the services of the Applicant for disorderly behavior.

19. In cross-examination Shri Atul Tanaji Utturkar (Witness No. 1 for the Opponent) deposes that the incident had happened before he became the Director of the Opponent and that he does not have any personal knowledge of the same.

20. Ms. Shraddha Chawdekar (Witness No. 2 for the Opponent) deposes that she received a complaint by way of e-mail dated 24-08-2021 stating that the Applicant had misbehaved with 3 female employees of the Opponent on 21-08-2021. She deposes that the Opponent had asked the Applicant to give his explanation. She deposes that the Applicant replied by e-mail dated 25-08-2021 and admitted the occurrence of the incident. She deposes that the Applicant was terminated by e-mail dated 25-08-2021.

21. There were 3 ladies with whom the Applicant had allegedly misbehaved. They were Nikhat, Cidelle and Valerie. Ms. Shraddha Chawdekar (Witness No. 2 for the Opponent) deposes in cross-examination that the Applicant and Cidelle were working for the Opponent. She deposes that the Applicant and Cidelle were allotted by the Opponent to do the work of their Client, Symbio Energy. She deposes that Nikhat and Valerie were working for the Clients of the Opponent.

22. Cidelle D'Mello had sent an email complaint dated 24-08-2021 (Exh. 24) to Shraddha (Witness No. 2 for the Opponent). It is stated therein that a few colleagues had organized an overnight get-together on 21-08-2021. It is stated therein that the Applicant crossed the limits and touched the upper belly of Cidelle near the bra line. It is also stated that the Applicant told Nikhat that "don't mind, but I really like your jaw line. It is sexy". It is stated that he pulled her hand and grabbed her waist. It is also stated therein that when Valerie was sleeping, the Applicant pulled up her top and touched her upper belly near her bra line.

23. Exhibit 19 is explanation dated 25-08-2021 given by the Applicant. In the said explanation he admits having put his hand around the shoulder of Nikhat on the relevant night.

24. The Learned Advocate for the Applicant, Shri Anand Kundaikar states that the incident took place outside the premises of the Opponent and was a private affair. Therefore, it is argued that action could not have been taken against the Applicant.

25. What happens outside the office has an impact on the healthy relationship between workers in the office and it spoils the atmosphere in the office. Hence, there is no merit in this argument.

26. Learned Advocate, Shri Anand Kundaikar argues that two of the ladies involved were not working for the Opponent. That they were working for the Opponent's client.

27. Misbehaving with a staff of the Opponent clients will spoil the business of the Opponent and cannot be tolerated.

28. Learned Advocate Shri Anand Kundaikar argues that the ladies involved in the incident were not examined as witnesses.

29. In an industrial dispute direct evidence is not always necessary. Hear-say evidence is admissible.

30. There is sufficient evidence to show that the Applicant has misbehaved with women who are either working for the Opponent or the Opponent's clients. It is also found that the Applicant has not adduced any evidence. Therefore the Opponent/Party II has proved that the termination of the services of the Applicant/Party I is legal. Hence, I hold issue No. 1 in the affirmative.

31. **Issue No. 2:** The case of the Applicant/Party I is that the application is maintainable.

32. The Applicant's case is that he raised a dispute with the Assistant Labour Commissioner at Panaji for conciliation on 15-09-2021. That this application was filed on 02-11-2021, i. e. after 45 days from the date of application for conciliation. That, it is maintainable under Section 2-A of the Industrial Disputes Act, 1947.

33. The Opponent states that the dispute was raised for conciliation on 20-09-2021 and that this application was filed before this Tribunal before the expiry of 45 days from the date of raising the dispute. Therefore, the application before this Tribunal is not maintainable.

34. The Opponent has produced the application for conciliation (Exhibit 21 Colly). It shows that it was registered on 20-09-2021.

35. The Applicant has produced a copy of his application for conciliation. There is an endorsement on it showing that it was received on 15-09-2021. This application has not been tendered in evidence.

36. Nevertheless, Ms. Shraddha Chawdekar (Witness No. 2 for the Opponent) has stated in her cross-examination, that the application for conciliation proceeding was filed on 15-09-2023 and not 20-09-2023. In view of this admission, it should be held that the said application was filed on 15-09-2021 and the application under Section 2-A was filed before this Tribunal after 45 days of filing

of the application for conciliation. Therefore, the Applicant has proved that the application under Section 2-A of the Industrial Disputes Act, 1947 is maintainable. Hence, I hold issue No. 2 in the affirmative.

37. **Issue No. 3:-** The case of the Applicant/Party I is that he is entitled to reinstatement with full back wages.

38. The Opponent has proved that the Applicant has misbehaved with a lady working for the Opponent and two other ladies working for the clients of the Opponent. Consequently, the Opponent has proved that the dismissed of the Applicant is legal and justified. Therefore, the Applicant/Party I has failed to prove that he is entitled to reinstatement with full back wages. Hence, I hold issue No. 3 in the negative.

39. The Learned Advocate for the Applicant has relied on **Deepali G. Surwase V/s Kranti JR. A. M. (D.Ed.) and Others (2014 II CLR 813)** to show that once the workman pleads that he was unemployed from the date of termination of service, the onus shifts onto the Employer to show that he was employed. The Ld. Advocate for the Applicant argues that the Employer (Opponent) has not discharged the onus of proof cast on him.

40. It is found that the Applicant was lawfully dismissed. It does not matter if he was employed or unemployed thereafter.

41. Before concluding, it is necessary to state that this Tribunal is not bound by strict rules of pleading and evidence. Therefore, minor disparities in pleadings and evidence are ignored.

Hence, I pass the following:-

ORDER

- (i) The Application is dismissed.
- (ii) No orders as to cost.
- (iii) Inform the Government accordingly.
